3.1.4. Educational purposes of socialization . . . . .	41
3.2. Evolution of the contributions of didactic research for the educational purposes of socialization . . . . .	44
3.2.1. Sciences education and disciplinary cognitive socialization . . . . .	44
3.2.2. Education for scientific uncertainty and critical cognitive socialization . . . . .	45
3.2.3. Eco-citizenship education and political socialization . . . . .	46
3.2.4. Education for sustainable development (ESD) and democratic socialization	46
3.3. Teaching of environmental and development issues and political learning: integrating socialization purposes . . . . .	47
3.3.1. Ecoliteracy learning . . . . .	49
3.3.2. Deliberative learning . . . . .	51
3.3.3. Learning through social roles in a community of eco-citizens and political socialization . . . . .	53
3.3.4. Learning in collective educational action regimes . . . . .	55
3.4. Conclusion . . . . .	57
<b>Chapter 4. Methodological Considerations . . . . .</b>	<b>59</b>
4.1. Case study methodology . . . . .	59
4.2. Selection of case studies . . . . .	60
4.2.1. UNESCO's "Education for Sustainable Development Goals": a prototype case in non-formal education . . . . .	60
4.2.2. EDIs in the Tunisian curriculum: a representative case in formal education . . . . .	61

4.3. Defining the analytical criteria . . . . .	63
4.3.1. Criteria of the documentary analysis for selecting EDIs in prescribed curricula in Tunisia . . . . .	63
4.3.2. Criteria for analyzing the political trend . . . . .	64
4.3.3. Criteria for analyzing the political potential of EDIs . . . . .	65
4.3.4. Criteria for the analysis of potentialities for socialization in terms of political learning . . . . .	67
4.4. Procedure for data collection and analysis. . . . .	69
4.4.1. Thematic content analysis . . . . .	70
4.4.2. Direct observation . . . . .	74
4.4.3. Interviews . . . . .	76
4.5. Defining the research quality criteria . . . . .	77
4.5.1. Strategies for increasing internal validity . . . . .	78
4.5.2. Techniques to ensure reliability . . . . .	79
<b>Chapter 5. The Political within “Education for Sustainable Development Goals” . . . . .</b>	<b>81</b>
5.1. Analysis of the Sustainable Development Goals (SDGs) 2030 . . . . .	81
5.1.1. The political/anti-political trend . . . . .	81
5.1.2. Political potential . . . . .	83
5.1.3. Conclusion. . . . .	85
5.2. Analysis of the content of “Education for SDGs” . . . . .	86
5.2.1. The political/anti-political trend . . . . .	86
5.2.2. Political potential . . . . .	88
5.2.3. The potentialities for socialization in terms of political learning . . . . .	89
5.2.4. Conclusion. . . . .	91
<b>Chapter 6. The Political within the Tunisian Curriculum . . . . .</b>	<b>93</b>
6.1. Secondary school curriculum analysis . . . . .	93
6.1.1. The prescribed curriculum . . . . .	93
6.1.2. Potential curriculum . . . . .	97
6.1.3. The produced curriculum. . . . .	100
6.2. Analysis of the undergraduate curriculum: the bachelor’s degree in environmental protection . . . . .	104
6.2.1. Prescribed curriculum . . . . .	104
6.2.2. The produced curriculum. . . . .	111
<b>Conclusion . . . . .</b>	<b>117</b>

<b>Appendices</b>	129
<b>Appendix 1. Interviews: Guides and Help Lists</b>	131
<b>Appendix 2. Report on Political Elements in the SDG 2030 Agenda and in the Contents of “Education for 2030 SDGs”</b>	137
<b>Appendix 3. Report on political elements in the Tunisian Curriculum</b>	147
