<b>Introduction</b> . . . . .	xi
Yves GIRAULT	
<b>Part 1. Objectives, Issues and Tensions Related to the Patrimonialization of Nature</b> . . . . .	1
<b>Chapter 1. Natural Heritage, Participatory Democracy and UNESCO: a Structure of Disillusionment?</b> . . . . .	3
Igor BABOU	
1.1. Introduction. . . . .	3
1.2. The participation in question. . . . .	4
1.3. A brief history of participatory mechanisms and environmental democracy . . . . .	4
1.4. Critical assessments of participatory mechanisms and environmental democracy . . . . .	7
1.5. Points of tension within protected natural areas . . . . .	11
1.5.1. The significant dimension of the devices . . . . .	13
1.5.2. The proliferation and professionalization of intermediaries . . . . .	14
1.5.3. Standardization of participation models. . . . .	15
1.6. The example of the Lanzarote geopark: top-down approach and brand logic . . . . .	15
1.7. Conclusion: the democratic consequences of the contradictions of participation . . . . .	17
1.8. References . . . . .	19
<b>Chapter 2. The Ambivalences of the Co-construction of a Mental Territory: a Case Study on Spanish UGGs</b> . . . . .	23
Catalina GONZALEZ TEJADA and Yves GIRAULT	
2.1. Introduction. . . . .	23

---

2.2. Problematic issues . . . . .	24
2.3. Methodology and construction of the corpus . . . . .	27
2.4. The construction of the story of the mental territory of the Spanish geoparks . . . . .	28
2.4.1. First initiatives to protect geological aspects in Spain . . . . .	29
2.4.2. Various definitions of geological heritage in Spain . . . . .	31
2.4.3. Cultural enhancement of geological heritage: a disciplinary approach between protection and dissemination of geology . . . . .	35
2.5. Conclusion . . . . .	47
2.6. References . . . . .	48
<b>Chapter 3. The History of the Earth as a New Form of Territorial Marketing: the Case of the Geopark of the Tremp-Montsec Basin (Spain)</b> . . . . .	53
Fabien VAN GEERT	
3.1. Introduction. . . . .	53
3.2. Economic development and the use of heritage in the Catalan Pyrenees . . . . .	55
3.3. The protection of Catalan geological heritage and its valorization through geoparks . . . . .	57
3.4. The Tremp-Montsec Basin Geopark Project and the creation of a territory brand . . . . .	63
3.5. The declaration of the Tremp Geopark and the definition of its future challenges. . . . .	71
3.6. References . . . . .	74
<b>Chapter 4. Patrimonialization and the Geopark Label: for Which Development Model in the South? The Case of Morocco.</b> . . . . .	77
Ouidad TEBAA and Saïd BOUJROUF	
4.1. Introduction. . . . .	77
4.2. Geopark in Morocco: new label, new territory and new heritage process . . . . .	78
4.2.1. The relationship to heritage and patrimonialization in Morocco: between identity, museumization and commodification . . . . .	78
4.2.2. What is the debate on the social acceptability and local utility of geoparks?. . . . .	79
4.3. Challenges in the territorial construction of geoparks and their heritage development . . . . .	82

4.3.1. Challenges in the fight against poverty and/or heritage preservation . . . . .	83
4.3.2. Challenges of intersectoral articulation and integration . . . . .	84
4.3.3. Governance challenges for geoparks projects: involving residents . . . . .	86
4.4. Questions and reservations about the contribution of a UNESCO model of geoparks for development in the South . . . . .	88
4.5. References . . . . .	90
<b>Chapter 5. The Evolution of the Economics of Culture and its Influence on the Development of Geoparks . . . . .</b>	<b>91</b>
François MAIRESSE	
5.1. Introduction. . . . .	91
5.2. Museums and heritage sites in the market economy . . . . .	92
5.3. The economic discourse on heritage . . . . .	95
5.4. Economic evaluation . . . . .	97
5.5. From the cultural economy to the creative economy. . . . .	99
5.6. The economic challenges of geopark development . . . . .	102
5.7. References . . . . .	104
<b>Part 2. Heritage Inventory and Conservation . . . . .</b>	<b>109</b>
<b>Chapter 6. Methodological Proposal for the Valorization of the Geodiversity of Rural Areas Comparable with the Zat Valley . . . . .</b>	<b>111</b>
Joan POCH, Antonio TEIXELL, David GÓMEZ-GRAS, Francisco José MARTÍNEZ, Esteve CARDELLACH and José Luis BRIANSÓ	
6.1. Introduction. . . . .	111
6.2. Geological context of the study area . . . . .	111
6.3. Objectives. . . . .	116
6.4. Methodology . . . . .	116
6.5. SWOT analysis and diagnosis. . . . .	116
6.6. Results: methodological proposal. . . . .	118
6.6.1. Geoethics framework . . . . .	118
6.6.2. Assessment of the geodiversity. . . . .	119
6.6.3. Selection of sites of geological interest for scientific, didactic or tourist use . . . . .	123
6.6.4. Geosites of scientific interest: fostering scientific research . . . . .	126
6.6.5. Geosites of didactic interest: fostering the teaching of geology. . . . .	126
6.6.6. Geosites of geotourism interest: fostering sustainable tourism . . . . .	127
6.7. Discussion and conclusion . . . . .	128
6.8. References . . . . .	129

<b>Chapter 7. Interpreting Landscapes from a Socioecological Perspective: a Methodological Approach from the Zat Valley (Morocco)</b> . . . . .	133
Martí BOADA JUNCA, Roser MANEJA ZARAGOZA, Jaume MARLÈS MAGRE, Josep Antoni PUJANTELL ALBÓS, Sònia SÀNCHEZ-MATEO and Carles BARRIOCANAL LOZANO	
7.1. Introduction. . . . .	133
7.2. Methodology . . . . .	136
7.2.1. Chromatic assessment and identification of landscape units. . . . .	136
7.2.2. Socioecological transects . . . . .	136
7.2.3. Study area: Zat Valley (Atlas Mountains, Morocco) . . . . .	138
7.3. Results and discussion . . . . .	139
7.3.1. Chromatic assessment . . . . .	139
7.4. Conclusions. . . . .	142
7.5. Acknowledgments . . . . .	143
7.6. References . . . . .	143
<b>Chapter 8. The Feeling of Archaeology and the Sense of History in the Mixteca Alta Geopark</b> . . . . .	147
Francisco VALDEZ	
8.1. Introduction. . . . .	147
8.2. The park. . . . .	149
8.3. The people . . . . .	153
8.4. Archaeology: the marks of history . . . . .	158
8.4.1. A communal feast . . . . .	162
8.5. Conclusion . . . . .	165
8.6. References . . . . .	166
<b>Chapter 9. One of the First Rock Art Sites Discovered and Now Protected in Morocco: the Case of Azrou Iklane (Assa Region, Morocco)</b> . . . . .	169
Gwenola GRAFF, Maxence BAILLY, Abdelhadi EWAGUE and Martin LOYER	
9.1. Introduction: presentation of the site and scientific interest . . . . .	169
9.2. Contemporary situation of the site . . . . .	171
9.3. History of searches on the site. . . . .	172
9.4. Work of the French team and interest from local authorities. . . . .	172
9.5. Rock art, a source of regional enhancement, and the dynamics of the integration of rock art into Moroccan heritage . . . . .	174
9.6. The World Heritage nomination process for the Tighmert Oasis and its surroundings. . . . .	176
9.7. Contribution of recent work to the preservation of remote and fragile archaeological sites . . . . .	177
9.8. References . . . . .	178

<b>Part 3. Geotourism and Education</b> . . . . .	181
<b>Chapter 10. Visualizing the Heritage of the Zat Valley Through a Virtual Museum</b> . . . . .	183
Élisabeth HABERT and Ali AOU DA	
10.1. Introduction . . . . .	183
10.2. From GIS to the virtual museum . . . . .	184
10.2.1. Constructing a coherent and readable approach to the territory . . . . .	184
10.2.2. The virtual museum: a virtual reality or an imaginary space? . . . . .	185
10.2.3. Which model for the Zat Valley? . . . . .	186
10.3. The Virtual Museum of the Zat Valley: an innovation at the service of local heritage . . . . .	187
10.3.1. A virtual museum: why? . . . . .	187
10.3.2. The case of geoparks . . . . .	188
10.3.3. A virtual museum: for whom? . . . . .	189
10.4. The Zat Valley Geopark Project: a story of a territory through an application. . . . .	190
10.4.1. Overview of available tools . . . . .	191
10.4.2. Methodology and tools . . . . .	192
10.5. Conclusion . . . . .	195
10.6. References. . . . .	196
<b>Chapter 11. Web Communication of French Geoparks in Education: the Expression of Their Legitimacy.</b> . . . .	199
Aurélié ZWANG	
11.1. Introduction: the value of a study of communication in education in French geoparks . . . . .	199
11.2. A semiological and content analysis of communication in terms of website education for four French geoparks . . . . .	200
11.3. Legitimizing by making a site: the enunciation of the educational territory . . . . .	203
11.4. Legitimizing by making sense: the statement of ESD in schools . . . . .	207
11.5. Conclusion . . . . .	210
11.6. References. . . . .	211
11.7. Documents cited from the corpus . . . . .	212
<b>Chapter 12. The Architectural Mediation of Geoparks Museums in China: Between Tensions and Hybridization of Cultures</b> . . . . .	215
Yi DU and Yves GIRAULT	
12.1. Introduction . . . . .	215
12.2. Architects' perspectives on the integration of museums in the territory . . . . .	217
12.2.1. Analysis of architectural mediation . . . . .	218

12.3. Geopark museums in China . . . . .	219
12.4. Presentation of the three geoparks selected . . . . .	221
12.4.1. The Taishan UGG. . . . .	222
12.4.2. The Fangshan UGG. . . . .	227
12.4.3. The Dali Mt Cangshan UGG . . . . .	231
12.5. Conclusion . . . . .	235
12.6. References. . . . .	235
<b>List of Authors</b> . . . . .	237
<b>Index</b> . . . . .	241
