Introduction	ix
Chapter 1. Natural Environment, Positive Private Goods and Consequentism.	1
1.1. Management of negative externalities	12
1.1.1. Managing irreversible negative externalities: trade and markets, governance and choice.	13
1.1.2. Decentralized regulation	22
1.2. Private decision and consequentism	23
1.2.1. Consequentism	25
1.2.2. Internalization of consequentism as the best remedy	26
1.2.3. Consequentism for the technological object and the adopter's system of objects	31
1.2.4. Carbon accounting: solution or illusion?	33
1.3. Positive private goods and consequentist calculation.	41
1.3.1. Positive private good	42
1.3.2. Methodological comparison	45
1.3.3. Discussion on the applicability of the calculation	46
1.4. Conclusion	50
Chapter 2. FabLab: Creation and Design through Technology?	53
2.1. The major form of contemporary industrial organization	57
2.1.1. The network form: NoF	57
2.1.2. The virtual form: extension of the NoF via ICT	60
2.2. FabLab: heterogeneous form or NoF reinforcement?.	63
2.2.1. Definition of FabLab	63
2.2.2. FabLab and NoF compatibility	66

2.3. From extended NoF to the beginnings of a potential new industrial dynamic?	69
2.4. Conclusion	73
Chapter 3. Communitization of Technological Innovation: The Value and the Symbolic	77
3.1. New technological products: inter-organizational networks, business ecosystems and innovative communities	78
3.2. Places where innovation is created, practices of innovative communities, managerial and symbolic issues	83
3.2.1. Places and practices of innovative communities	83
3.2.2. Managerial issues of innovative communities	85
3.3. Virtualization and symbolic value in relation to its uses	88
3.3.1. Shift from value to symbolism.	91
3.3.2. Systematized symbolic logic and community marker	94
3.4. Conclusion	96
Chapter 4. Technology and Symbolic Spectacle of Marking by Use	99
4.1. Community and virtualization: what individuation?	104
4.1.1. Activist practices of virtual communities and mimetic rivalry: viral marking	105
4.1.2. Limited otherness in the virtual immersion of the community self.	110
4.2. Performance of immersive symbolic projection by marking the community self within the virtual community	112
4.2.1. From the technological offer to the symbolic marketing of the virtual self: avatar and the profession of the self	113
4.2.2. Role dream symbolism and marking the community self	116
4.3. Conclusion	119
4.3.1. Exceeding: beyond the virtual	120
4.3.2. Virtual influencer: an illustration by the case of Lil Miquela	122
Chapter 5. Back to Common Sense: Towards Frugal Environmental Innovation (FEI)	133
5.1. Definition and place of frugal innovation (FI)	135
5.1.1. Frugal innovation: contextualization and definition	135
5.1.2. Conceptual place of frugal innovation	138
5.2. Double challenge of the western firm: competitive and environmental advantage	140
5.2.1. Strategic scenarios	140
5.2.2. Environmental competitive advantage and frugal environmental innovation.	142
5.3. Conclusion	145

Chapter 6. From Environmental Innovation (EI) to Frugal Environmental Innovation (FEI)	147
6.1. Environmental innovation (EI)	149
6.1.1. Corporate proactivity and EI	151
6.1.2. Proactivity and creativity: green entrepreneurship	152
6.2. Types of actors and diffusion of EI	153
6.2.1. Summit of the EI actor typology: creative and proactive	154
6.2.2. EI dissemination	155
6.3. Proposal of a strategic matrix to innovate	156
6.3.1. Irreversibility of negative externalities	157
6.3.2. Logic of sophistication and/or frugal approach?	158
6.3.3. Opting for frugal environmental innovation (FEI)	161
6.4. Conclusion	162
Chapter 7. Bricolage and Improvisation: Two Key Cogs of Innovative Creation	165
7.1. Bricolage as a concept.	168
7.1.1. Bricolage: a new concept but an old practice.	168
7.1.2. Is bricolage a matter of logic?	169
7.1.3. Bricolage and the current application of the concept	170
7.2. Bricolage as a key device for innovative creation.	171
7.2.1. Bricolage and improvisation	172
7.2.2. Bricolage and frugal innovation	176
7.2.3. Synthetic view: conceptual map of innovative creation	179
7.3. Conclusion	181
Conclusion	185
Appendices	189
Appendix 1.	191
Appendix 2.	219
Appendix 3.	221
